Hannah's Prayer for a Son

Lesson: How and Why do We Pray?

We had a great first class! We began by reading a short bible story about Hannah's prayers for a son and how she was thankful that god answered her prayers with her son Samuel. We discussed the different ways we can pray. We can pray for people, we can pray for health, and we can pray because we are thankful. We placed skittles in hot water, creating a swirl of colors. The lesson taught the children how one prayer can have an effect on the world. We also made prayer hands that allowed the children to write or draw their own prayers.

After snack we began personalizing the Sunday school room with "What Makes Me Special" art work, we plan to continue to add more around the room from all our new friends joining us in the coming weeks!

Mrs. Karin and Mrs. Ann have many fun activities planned for this year and cannot wait to share the fun with everyone!

Have a fantastic week! See you next Sunday!
