**5 Kernels and the Meaning of Thanksgiving...**

- ❖ *The first kernel reminds us that God loves us.*
- ❖ *The second kernel reminds us that God provides for all our needs.*
- ❖ *The third kernel reminds us of the friends God has given us – just as the American Indians were friends to the pilgrims.*
- ❖ *The fourth kernel reminds us of all the people God has given us who love us.*
- ❖ *And the fifth kernel reminds us that God hears our prayers and answers us.*

This Sunday we will begin our journey to Jesus's birth. We have so many fun activities planned for the weeks leading up to Christmas.

Wishing you all a blessed Thanksgiving! -Mrs. Karin & Mrs. Ann
