Week 8  
December

Advent Wreath

✝ Candle four (purple) represents love. It is often called the Bethlehem candle.

In Week 8 during Sunday School we assisted during church service. Our students read about and lit the 4<sup>th</sup> advent candle. Following the lighting we led "Away in A Manager". We are so proud of the children for doing an amazing job on Sunday!

After service we returned to our Sunday School room to celebrate Jesus's Birthday with cupcakes and making our own mangers. The children had a great time celebrating and learning about Jesus's birth.
