## Week 9 December

During week 9 at Sunday School we joined the congregation in a 1<sup>st</sup> centry worship. During service we had brunch and listened to a sermon by Rev. Byron. We were reminded that as a church we don't always have to do what is expected of us. It is ok to try new things. At the conclusion of service we sang a few carols together.

Sadly it was also Rev. Byrons last worship with us. We thank him for his support of the Stockton Church and encouraging us to push forward, especially with Sunday School.

This week at Sunday School, we will wrap up the 12 days of Christmas with the feast of the Epiphany. We will also begin to practice a song that we will sing during church service at the end of the month (more on this to soon).

Mrs. Karin and Mrs. Ann hope that you all had a wonderful new year and hope to see you often in 2019!
