

Stockton Presbyterian Church

Weekly Newsletter

Week 11 January

Week 11 of Sunday School was spent crafting our Snowfolk for the Lambertville-New Hope Winter Fest. We decorated a 4-foot snowfolk to represent the Stockton Presbyterian Church at the Lambertville-New Hope Winter Festival. Snowfolk will be on display at the Solebury Municipal Building, beginning 1/21 from 9am -3pm. We will also display the Snowfolk at our church after 1/28.

Let It Shine!

We would like to begin teaching the children a song each month that they will sing during church service. We will let everyone know the date once we set it. In the mean time the class chose "This Little Light of Mine" as their song this month. We will practice during class however if you have sometime at home to practice that would be a great help. The following is a link you can play for your child. We will play this version during church on the day we perform. Please let us know if you have any questions.

Coat Drive!

We will be assisting the congregation to collect winter coats for those that may be in need this season. Please bring your donations to Sunday School in the coming weeks to place in the collection box.

Save The Date!

The Church will be hosting a Pancake Dinner on Tuesday March 5th Fat Tuesday, or Mardi Gras. (people tend to indulge in sweet, rich and fatty foods as a last hurrah before the Lenten period of fasting that begins the next day on Ash Wednesday. Traditional pre-Lenten foods consumed on Fat Tuesday include **pancakes**, doughnuts and pastries.) More updates to come on this fun event!
