## Sunday School Newsletter Week 17

This week in Sunday School we discussed Lent. Lent begins Wednesday, March 6<sup>th</sup> (Ash Wednesday). Lent is a time of preparation for Easter. In some religions people give up something for Lent. Presbyterians do not practice Lenten Sacrifice. Some ways to acknowledge lent is to perform good deeds and spread kindness.

Sunday School class wouldn't be complete without an experiment. This week we read a story about Jesus's resurrection, as we told the different parts of the story we added another element to the experiment. We then left it, (Jesus was resurrected 3 days after being placed in the tomb), while we were waiting for Jesus to rise we played a game that taught us to work together. When we returned to the experiment (tomb) we watched Jesus rise. It was very exciting! We have many great activities planned to celebrate Lent, Palm Sunday, and Easter we look forward to seeing you all and maybe even some new faces!!

Tuesday is the SPC pancake dinner and lighting of the Crazy Money Tree. The Sunday School will be adding their winnings from the Snowfolk contest. The dinner is open to the community and is free. Hope to see you there!!!
