- 4 months

*Past Success*

Nidda Primary School  
Sivilay Village 2020

## *Future Success*

Houaphan Province, Laos  
Maung Vane Secondary School District  
(8 villages)

### Village Life

- Headman
- Shaman – spiritual medicine
- Medicine Man – herbal medicine
- Men and Women farm together
- Ancestral Totem protects the family
- Stilted homes /Ground homes

Houaphan Province, Laos

Swidden Agricultural Society

- Sticky Rice
- Bamboo products
- Corn
- Sesame
- Soy
- Medicinal

Houaphan Province, Laos

## Archeological Treasure

- Menhirs of Hintang  
Megaliths
- 2,000-3,000 years old
- Chambers underground

## Houaphan Province, Laos

### Khmu, Hmong and Loum

- High infant mortality
- Family size >6
- Protein insecurity
- Healthcare insecurity
- Safe drinking water insecurity
- Heavily contaminated with unexploded bombs
- Remote
- Elevation 6000'

By educating secondary school age girls, they tend to marry later and have fewer infant mortalities.

Education is key for all Lao to have brighter futures.

## *Future Success*

## *Past Success*

Motorbike Helmets given  
to all Students at:

The Jason School  
The Nidda School

72% of Lao accidental deaths  
are related to motorbikes

Funded by:  
Aqua Survey, Inc.  
Stockton Presbyterian Church  
and friends

*Past Success*

*Past Success*

*There are a thousand  
good ways to fund this  
project. We only need  
to find a couple.*

*Each of us can make a  
difference.*

*We are making a  
big difference.*
